Build your cards on the Foundations (regardless of their suit) You can move the cards from the eight Reserve Piles (Windmill Sails) to any Foundation.. Sometimes, cards can't be moved between Foundations at all! Other variations include: not letting Kings be moved from an Outer Foundation, or that Spaces have to be filled immediately from the Waste Pile.. It sounds quite simple but it can be fantastically frustrating! Once you get the hang of it however, it's very addicting.. This is one game well-worth investigating The aim of the game is to build upward (in any suit) from Ace to King (4 times) on the Central Foundations and downward from King to Ace on the four Outer Foundations..
